ABN	78 008 719 382	Country	Australia

Document Number: GLV-24-3-REP-IFO Spira Arms-A-2

Date: 11/12/2025

Sample tested:	Ifo Spira Toilet Pan	Pressalit Single Flap Grey Seat	Pressalit Support Arm	Pressalit Fixing
Code:	62610009	553112-BD1999	R1192112	108.99.00.90

Test Summary

This document is confirmation that the above samples have been tested at PROVE standards and engineering.

The armrests were first tested individually with a 75Kg load applied at an angle of 15° to vertical and 50mm from the end of the arm.

Both arms were then tested simultaneously by a 150Kg load applied downward to the central point on a flat bar that was positioned on the top of and 50mm back from the end of each arm rest.

The Samples tested withstood the loading conditions without deformation or breakage, for full details of testing and results please read report: GLV-24-3-REP-IFO Spira Arms-1
