	Max	500
Working Temperature Range (°C)	Min	5
	Max	60
Nominal Flow Rate (LPM)	N/A	
Construction	Stainless Steel/EPDM	
NOTE: Galvin Engineering continually strive to improve their products. Specifications may change without notice.		

TOOLS REQUIRED

- Hex Key (supplied)

PRE-INSTALLATION

DIMENSIONS

INSTALLATION

IMPORTANT: Galvin Specialised products must be installed in accordance with these installation instructions and in accordance with AS/NZS 3500, the PCA and your local regulatory requirements. Water and/or electrical supply conditions must also comply to the applicable national and/or state standards. Failing to comply with these provisions shall void the product warranty and may affect the performance of the product.

1. Remove existing mouthguard

- Isolate mains water.
- Using the supplied hex key, remove the grub screw on the existing mouthguard.
- Once the grub screw has been removed, unscrew and remove the existing mouthguard.
- Ensure the existing outlet is free of debris before installing the new mouthguard.

2. Fit new mouthguard

- Fit supplied fibre washer into the mouthguard inlet.
- Fit and screw on new mouthguard as shown until it stops.
- Fit and screw the supplied grub screw.

3. Test

- Once the new mouthguard has been installed, turn on mains water and test for correct operation.

TROUBLESHOOTING		
PROBLEM	CAUSE	RECTIFICATION
Leaks	Incorrectly installed.	Follow the installation instructions and ensure the fibre washer is correctly installed and the inlet sits flush on the outlet. Check for debris in the outlet.
Outlet still rotates	Grub screw incorrectly installed.	Follow installation instructions and ensure the grub screw is fitted correctly and tightened.
Water is not flowing from mouthguard outlet	Water is turned off	Turn on water
Inconsistent flow	Blocked mouthguard	Remove mouthguard and clean.

WARRANTY

The warranty set forth herein is given expressly and is the only warranty given by the Galvin Engineering Pty Ltd. With respect to the product, Galvin Engineering Pty Ltd makes no other warranties, express or implied. Galvin Engineering Pty. Ltd. hereby specifically disclaims all other warranties, express or implied, including but not limited to the implied warranties of merchantability and fitness for a particular purpose.

Galvin Engineering Pty Ltd products are covered under our manufacturer's warranty available for download from www.galvinengineering.com.au Galvin Engineering Pty Ltd expressly warrants that the product is free from operational defects in workmanship and materials for the warranty period as shown on the schedule in the manufacturer's warranty. During the warranty period, Galvin Engineering will replace or repair any defective products manufactured by Galvin Engineering without charge, so long as the terms of the Manufacturer's warranty are complied with.

The remedy described in the first paragraph of this warranty shall constitute the sole and exclusive remedy for breach of warranty, and Galvin Engineering Pty Ltd shall not be responsible for any incidental, special or consequential damages, including without limitation, lost profits or the cost of repairing or replacing other property which is damaged if this product does not work properly, other costs resulting from labour charges, delays, vandalism, negligence, fouling caused by foreign material, damage from adverse water conditions, chemical, electrical or any other circumstances over which Galvin Engineering has no control. This warranty shall be invalidated by any abuse, misuse, misapplication, improper installation or improper maintenance or alteration of the product.
